The latest news from the heart of Hope Clinic.

Save the Date

Save the date for an unforgettable evening with us! Our annual banquet is happening a little earlier this year, and we're excited to gather with friends and supporters to celebrate the hope and healing happening every day through this ministry. More details coming soon!

HOPE CLINIC ANNUAL BANQUET

ONE Heartbeat AT A TIME

THURSDAY, SEPTEMBER 24, 2026

GUEST SPEAKER, RYAN DOBSON

“Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope.”

Romans 15:13

GUEST SPEAKER

Ryan Dobson

Ryan Dobson, son of Dr. James Dobson, is a speaker, author, and co-host of the nationally syndicated “Dr. James Dobson’s Family Talk,” reaching over 1.5 million listeners. He is known for his real, relatable communication style and passion for sharing truth and hope.

KNOWN HERE - CAPTORIA'S STORY

When Captoria first walked through our doors, she was exhausted, overwhelmed, and carrying far more than her six-day-old baby in her arms.

Because of supporters like you, she found prayer, encouragement, practical support, and a community that walked beside her during one of the most vulnerable seasons of her life.

Today, her story looks very different. She is healing, growing in confidence, and building a stronger future for herself and her children.

HELP SHOWER MOMS & BABIES WITH LOVE

We're excited to join other pregnancy centers across Mississippi for this year's Virtual Baby Shower!

One of our current needs is size 5 and size 6 diapers.

We are so grateful for your continued support as we care for local moms and babies.

VIRTUAL Baby Shower

This Mother's Day, let's come together to celebrate and support the incredible moms across Mississippi who deserve to feel *seen, supported and loved.*

- Shop**: Choose from wish lists from local organizations.
- Give**: Items are delivered directly to pregnancy centers.
- Impact**: Your support helps moms and their babies thrive.

IN THE NEWS

HB 1613

HB 1613 continues to be a topic of discussion across Mississippi. The Senate-amended bill text includes language stating that treatment for miscarriage care, ectopic pregnancy, fetal demise, induction of labor, and postpartum complications is not prohibited under the law when provided within a physician's medical judgment and standard of care.

We encourage our supporters to read the bill and related articles to learn more about the legislation and its implications for women and families.

SUPPORT HOPE CLINIC THROUGH VBS GIVING

This summer, turn your VBS into a mission of hope! Encourage friendly competition between boys and girls to collect donations or diapers for Hope Clinic.

It's a fun, meaningful way for kids to learn about giving while supporting local moms and babies in need. Every dollar and diaper makes a difference!
