Church Involvement

Heroes Walk for Hope*

Individual walkers ask family & friends to sponsor them in a 2 mile walk. No collecting of money and walk on your own if unable to attend. Come dressed in your favorite Super Hero outfit or character outfit. Fun awards, breakfast, photo booth, music and all around family fun!

- RUN or Walk
- Virtual event—can't attend the day of the event? That's OK! Just run or walk another day.
- Convenient location: Lingleaf Trace (USM entrance)
- Receive an awesome 'Walk for Hope' t-shirt if you raise \$200 or more.

'Baby Bottle Boomerang!'

- Have church/ class members take one of our bottles home, fill it with change, cash, or checks, and return it. It's that easy!

*Contact Hope Clinic for more details.

At Hope Clinic we desire for each individual to discover their sense of value, to receive accurate information, and to believe there is hope in their circumstances and in the decisions they face.

Because of Generous Supporters in our community Hope Clinic is able to offer the following services at no cost to our clients:

- Pregnancy Testing
- Limited OB Ultrasound
- Education/ Peer Counseling
- Adoption and Community Referrals
- Follow-up and Mentoring
- 24 hour Helpline

How to be Involved...

Join our Support Team:

Host a Baby Shower or Donate

Small diaper bags that will hold a few items such as: pacifiers, bath towels, lotions, shampoo, soap, onesies, gowns, diaper rash ointments, and small baby toys. Diapers and wipes, too!

Donate Office Supplies

Stamps, copy paper, card stock, envelopes, file folders, trash bags, paper towels, Kleenex tissues, toilet paper, disinfectant spray, air freshener, and cleaning supplies.

Become a Prayer Warrior/Receive our Newsletter

We need Prayer Support! Hope Clinic is in a spiritual war and all Prayer Warriors are welcome to help us in this fight. Sign up for our Newsletter to stay informed about our needs and upcoming events.

Become a Church Champion

Be our "lifeline" and help us get the word out to your church about what's going on at Hope Clinic. When we have urgent needs or information to communicate to the church, church secretary, or pastor we will call on you to help

Serve for Special Events /Fundraising

Special Events-help educate the community about who we are and the services we offer through Women's Expo, Health Fairs, campus events, etc.. Fundraising Volunteers would help with the annual banquet held each October and Walk for Hope held in the spring.

"Our hope is that individuals are empowered to choose life— life for the unborn baby, abundant life by making healthy lifestyle decisions, and eternal life by accepting a personal relationship with Jesus Christ."

"As doctors, it means so much to know that Hope Clinic is here to minister to those in unplanned pregnancies."

Dr. Jason and Dr. Melanie Lindsey.

"Hope Clinic is just that—Hope for the future for women and children."

Lynn Walton, Vice President, Mortgage Loan Originator

"I'm thankful to be in a community that respects life and promotes an environment of love and dignity in times of life altering decisions."

Jeff Clark, Senior Pastor, Venture Church

"We ask you to pray about how you can be involved with Hope Clinic as we serve women, men, and students in need of value, truth, and hope."

Karen Sims, Executive Director of Hope Clinic

Join the Patient Resource Team*:

Serve on the Medical Team

Do you have a medical background or education? Possibility to volunteer as a medical assistants and use your abilities to give care and information to our clients. This may include things such as pregnancy testing, obtaining health histories, giving referrals for prenatal care, and education about sexual & reproductive health care.

Become a Care Coordinator (Lay Counselor)*

Our relationship with our client usually begins when she comes in for a pregnancy test. She meets with a Care Coordinator who listens to her situation, encourages her by speaking the truth in love, and guides the client in critical thinking skills to equip her to make a good decision. This position requires completion of an extensive training program.

Become a Receptionist*/ Follow-up Volunteer *

The first person our clients see in our office is the Receptionist. Receptionists sit at our front desk in order to greet and direct clients and do light clerical work. They are trained to answer the phone and will use the computer to schedule appointments for pregnancy tests. Receptionists have opportunities to visit with friends or family who may be accompanying a client. Follow-up volunteers are responsible for making reminder and follow-up phone calls.

Become a Post Abortion Support/Facilitator**

Lead and support other women as they find hope and healing through Christ from a past abortion.

**Training and regular commitment required*

***Must complete a Post Abortion Bible Study before facilitating a group*
